Subject: Requesting support for scholarships for students at Thai-Nichi Institute of Technology Academic year 2025

Dear Managing Director

Thai-Nichi Institute of Technology, or TNI, was founded by the Technology Promotion Association (Thailand-Japan), or TPA, in 2007. TNI offers various bachelor's and master's degree programs in the fields of engineering, information technology, global communication, business administration and international education to meet the demand from business and industrial sectors in Thailand and overseas for knowledgeable employees. TNI graduates are assured work after graduation in a variety of Thai, Japanese, and others businesses operating both locally and internationally. TNI aims to enhance the research and learning systems to be the leading international institution with sustainable international standards and to increase the competency to empower international education throughout Thailand. We strongly believed that our qualified graduates are able to communicate in both English and Japanese, plenary with the knowledge and ability to work in multinational environments both in the country and abroad. TNI has established a co-working space and a Japanese technology transfer center to create a system that can promote cooperation between industry and academia.

I cordially appreciate your scholarship donation. This scholarship can support our students who have good academic results but lack financial resources. As a result, students who receive scholarships are able to graduate and have the opportunity to work with scholarship donor's companies or other companies in Thailand and oversea.

Therefore, I would like to ask for your favor for donating the scholarship to TNI's students. In this regard, your scholarship donation can be used for tax deduction in double of donation amount which was announced by the Revenue Department of Thailand. If you have any questions, you can contact in Thai or English at Ms. Buranit Tantiwutthipong. (buranit@tni.ac.th) Tel: 02-763-2600 ext. 2780 or 081- 4240005 and in Japanese or English at Mr. Daisuke Kosaki (daisuke@tni.ac.th). Thank you very much.

Yours sincerely,

(Assoc. Prof. Rungsun Lertnaisat)

President of Thai-Nichi Institute of Technology

Details of scholarship support at the Thai-Nichi Institute of Technology

1. Purpose

This scholarship seeks to identify talented students from across Thailand. Students with good academic records but a lack of funds to produce talented personnel are included.

2. Target: Each year, approximately 100 new students will be awarded scholarships (About 10 million Baht)

Category of student scholarships

1. Scholarships covering the 100% tuition fee
2. Scholarships covering the 50% tuition fee
3. Scholarships covering the 25% tuition fee
4. Scholarships covering tuition fee 20,000 baht per year (only for the first academic year)

3. Scholarship donation period: 1 June 2025 - 31 May 2026
