Invitation for Japan Seminar on Technology for Sustainability 2022

Dear Sir or Madam,

We are pleased to announce the "Japan Seminar on Technology for Sustainability 2022 (JSTS 2022)" organized by the National Institute of Technology, Nagaoka University of Technology, Toyohashi University of Technology, and we, the National Institute of Technology, Kagoshima College, who will oversee its operation this year:

This seminar will be implemented as a "Training-based seminar". Overseas participants will collaborate with domestic participants through online (Zoom) lectures, group work, a field trip, and presentations in English.

We would appreciate it if you could inform your students and solicit their interest in JSTS 2022.

Sincerely yours,

Shozo Himuro
