We are waiting for your challenge at MuroranIT!

University Recommended Japanese Government Scholarship Procedure
（PBL-AI Program）

【University Recommendation】

    PBL-AI Program of Muroran Institute of Technology (MuroranIT) will select and recommend scholar candidates to MEXT. We will accept the scholar applicants with outstanding academic records from overseas institutions in a priority area (See below for priority area *1). We will select and recommend limited numbers of 3 candidates among all applicants to MEXT.

    Please note that the scholar applicant should contact one of our **PBL-AI Program** faculty members with his/her research background and research plan and find an academic supervisor before the recommendation by home institution.

    Meanwhile, the admission application is necessary and should be done by the scholar applicant. The outline of both procedures is shown below. For admission details, please visit our website. http://www.muroran-it.ac.jp/oia/en/inbound/admissions.html*2

*1: Priority area (Southeast Asia, Southwest Asia, and Mongol)

India, Indonesia, Cambodia, Singapore, Sri Lanka, Thailand, Nepal, Pakistan, Bangladesh, Bhutan, Philippines, Brunei, Vietnam, Malaysia, Myanmar, Maldives, Mongolia, Laos

*2: Refer to "Degree admissions > Doctoral Course > Overseas applications > Enrollment in October：Doctoral course entrance examination for international students" in the above website.
